Mixed Media Drawing & Painting

Materials student will need to provide:

1. *Anything rigid to collage on of varying sizes. (Canvas, matt board, wood panels, foam core),*
2. *Collect in box or bag, recycled paper of various sizes, color, and texture. Recycle old art work. (Magazines are ok but not preferred)*
3. *Acrylic paints: Bring what you have - primaries and white are required. Small to medium tubes & middle grade is fine. (Don't break the bank)*
4. *Scissors, any or all: pencils, drawing pens, markers,*

Although it's great to have lots of material to choose from I prefer to use leftovers and found material. It adds to the creativity!

Materials provided by instructor: *extra: brushes, spray bottles, scissors, collage material, gel medium (glue), disposable pallets, empty containers for mixing paint, fabric swatches, some extra panels.*

Materials Fee: \$15 paid to the instructor in the first class.
