

Special Members' Meeting

Wednesday October 9th, 7pm

WAA President Judith Anderson, as well as the Executive Building Committee, would like to share with you the schematic design plans for a building expansion of our gallery that would have classrooms, more gallery space and much more. The meeting will take place tomorrow, Wednesday, October 9th at 7pm. We will go over the conceptual designs with you and answer your questions.

The gallery has long needed more space for classes, offices and to be able to house more exhibits. We have committee members from among the Association who are working with the architect to design the space to maximize its potential.

We look forward to sharing these ideas with you as we move forward on the project.

36 Beach Street. North Kingstown, RI 02852
