Ms. Sarah Folger
Executive Director
Wickford Art Association
36 Beach Street
North Kingstown RI 02852

Dear Sarah,

On behalf of the North Kingstown Chamber of Commerce, our sincere gratitude for conceptualizing a window display inspired by a photograph from Cindy Wilson Photography, who's also a Chamber member, for building a team of artists to paint murals to display in the former Ryan's Market in historic Wickford Village, and for taking the time to hang the display.

After the head of leasing for Ocean State Job Lot saw the window, he immediately called me to say that he was in awe of the professional talent who created such a beautiful window display of paintings. In addition, I heard several people walking around Wickford Village speak very highly of the gorgeous window during our ribbon cutting and tree lighting service last week.

I also want to thank you for being a great collaborator on this project as it was a collaboration of the NK Chamber of Commerce, Ocean State Job Lot, and the Wickford Art Association. The Chamber serves many roles in supporting businesses and organizations in the community. We're proud to connect our members and to work together to achieve positive outcomes. In this case, it is in support of beautifying our community during the Holiday Season as many visitors come to the Wickford Village to shop, dine, and see the window displays. The result of these efforts is an increase in the number of people who visit the Village that therefore helps drive economic development.

Many thanks for your high level of professionalism and talent coupled with your beam of positivity throughout this collaboration.

All the best,

Kristin Urbach
Executive Director
