Painted Words

Do you have something that you would like to say and have seen? In this class you will be able to make your written phrase come alive in a visual collage. In our first class you will be collaging the background of the painting with words, photos and images of your choosing. In the second class we will paint our words to make a statement for all to see.

Course Objectives: To have fun and create a piece of art you will enjoy hanging in your home.

Materials student will need to provide:

Bring a canvas you want to work on or alternatively a board. I feel the size of 24 x 24 or 20 x 20 is best. Please choose a simple phrase with about 3-6 words that will fit. If you would to bring magazines, photos, newspaper clippings, etc. to collage from.

Materials provided by instructor: I will provide paint, acrylic medium and collage material.

Materials Fee: \$10 for adhesives, paint, etc.
