Create with Procreate!

Procreate is a digital app that opens up a world of possibilities for creativity. You can sketch and paint on a blank canvas, or you can import photos of your artwork or photography to create new layered digital artwork. All you need is an iPad and the professional app called Procreate. This online Zoom class is for those who are new to Procreate as well as those with intermediate skills. We will start with the basics as well as provide a review for intermediate users. In subsequent classes we will dive into more intermediate skills. No previous experience with Procreate is required.

Course Objectives:

1. Introduce: Procreate's workspace and gallery
2. Demonstrate: Brushes, Color wheel, Smudge tool, Eraser tool, Layers
3. Demonstrate: Brush size, undo and redo, circle of color
4. Demonstrate: Choosing a canvas size
5. Demonstrate: Share, Duplicate, and Delete in the Procreate Gallery
6. Demonstrate: How to import a photo from their iPad Photo Gallery
7. Demonstrate: How to create a palette.
8. Demonstrate: How to use Layers
9. Demonstrate: How to use a clipping mask
