The Basics of the Oil & Cold Wax Medium
Monday, October 18
10:00 am to 3:00 pm (5 hours)
90 members / 125 nonmembers
Supply fee \$20

This 5-hour class will begin with a demonstration of the Oil & Cold Wax medium. It will give the artist the basic knowledge of this medium and how it works. Artists will learn to mix oil paint with cold wax, basic mark making and textures made with the use of various tools such as stencils, tissue paper, knitting needles, cheese cloth and more. Artists will have time to create several paintings on 140 lb. watercolor paper which will be supplied.

Materials student will need to provide:

Oil paints (be sure to bring one very dark color and one white along with 5 other more vibrant colors)
A metal palette knife
1" wide blue painters' tape
1 Silicone Bread Scraper found on the Messermeister website (must be silicone)
1 roll of paper towels
1 knitting needle (approx. 7" one metal needle) and/or a wooden skewer

Materials provided by instructor: Materials Fee: \$20.00

Cold Wax medium (which the student will take home)
140 lb. watercolor paper
Freezer wrap for palette
Wax paper
Various stencils
Glitter
Powdered Pigments
Tissue paper
Cheese cloth
