### **CALL FOR ART**

#### **The Exhibit:**

Following eight successful and moving exhibits from 2013 to 2020, preparations have begun for the 9<sup>th</sup> annual Poetry & Art event. This year, Art will lead the event – whereby up to three works of art per artist can be submitted and juried. Then, participating poets will be selected based on a small portfolio of their work and assigned a juried work of art based upon the theme of COLOR. The poets will be challenged to create an original responsive work based on their assigned artwork.

### **9<sup>th</sup> Annual Poetry & Art Theme is...COLOR**

All poets and artists are juried anonymously. Wickford Art Association will select approximately 40 poets and artists for the live exhibition and for the 2021 Poetry & Art limited-edition book. WAA will continue the tradition of submitting our Poetry & Art publication to The Poets House library—one of America's premiere poetry libraries in New York City. Each edition of Poetry & Art has been submitted to The Poets House collection.

Artists may submit up to three (3) digital images of original artwork to the WAA Poetry & Art Committee between February 19 and April 2, 2021 (by midnight). Each piece submitted should focus upon the chosen theme of COLOR. The Committee will notify accepted artists by April 23, 2021; one work per artist may be selected for inclusion in the exhibit and publication, but the jury does have discretion to accept a second work by selected artists. Poets will be charged with the creation of a **new, original** piece inspired by an assigned work of art. Artwork will be displayed at the exhibition alongside corresponding poetry.

Poets and artists will not meet until the opening, heightening the excitement for this annual exhibit. Live poetry readings will take place the weekend following (Saturday- October 8 and Sunday- October 9). Each selected artist will receive a complimentary copy of Poetry & Art, the cost of which is included in the \$50 jury fee.
