The Oil & Cold Wax Experience with Collage

Materials Fee - \$10

This 5-hour class will begin with a demonstration of the Oil & Cold Wax medium. Artists will learn to mix paint with cold wax, basic mark making and textures made from various tools provided by the instructor. They will also learn to incorporate tissue paper collage into their paintings.

Course Objectives:

To experience the fun of Oil & Cold Wax painting.

Materials student will provide:

Oil paints (1 white, 1 very dark, and several other colors of the artists choosing).

Messermeister **silicone** bread scrapper found on Amazon (not to be confused with hard plastic)

1" blue painters' tape

Paper towels

Knitting needle

Palette knife (metal #6)

Materials provided by instructor:

Cold Wax medium

140 lb. watercolor paper

Tissue paper for collage

Freezer wrap for palette

CitraSolv cleaner and degreaser

Mark making tools, stencils, cheese cloth

Glitter, powder pastels, graphite and more
