Materials student will need to provide:

- Soft pastels (chalk, not oil pastels) There are many soft pastels on the market with varying prices. Depending on your level of experience, you want to bring a variety. I recommend a box of 24 Nupastels if you are just starting and prefer not to purchase a large amount. Sifter pastels at a low price include Mungyo, Faber Castell However, if you already have some, bring whatever you have. Please feel free to contact Lori if you have any questions or would like help selecting pastels
- Pastel paper. 2 or 3 9x12 or 11x14 sheets. Canson MiTeintes is a good standard pastel paper. A full sheet is 19X25
- Charcoal pencils: white and black
- Kneaded eraser.

Materials provided by instructor: Lori will have some supplies readily available for purchase:

Canson pastel paper \$4.00 per 19X25 sheet

Charcoal pencils \$2.00 each

She will have other materials for free student use such as spray fixative and blending materials as well as extra kneaded erasers.
