

CLAIRE MARSCHAK

DESIGNER • ARTIST • EDUCATOR

My paintings evolve from being connected to a place. As a regional landscape and seascape artist, I'm lucky to live in the Ocean State surrounded by natural beauty and inspiration. Trained in classical design, drawing and painting principles, I am passionate about art education. A lifelong artist, with 20 years teaching experience, I seek to share my knowledge with those willing to learn.

WORK EXPERIENCE

Fisher Price Toys • East Aurora, NY • Senior Designer 1979-1986

- Designed toys by creating concept and presentation drawings, building prototypes and working with engineering and marketing teams to make toys for mass production

Blue Sky • North Kingstown, RI • Designer, Inventor, Co-owner 1986-2015

- Started a toy design and invention studio, with focus on children's products for the infant and preschool market.
- Made sales presentations to major toy companies, negotiated contracts, sold toy concepts, and received royalties

Marschak Design • North Kingstown, RI • Artist, Teacher 1994-2017

Studio 42 • East Greenwich, RI • Artist 2000-2005

- Studied oil painting, both plein aire and in the studio, focusing on landscapes. Began exhibiting in local galleries and Block Island.
- Started art classes and workshops in 2005, teaching drawing, painting and printmaking. Designed curriculum for youth, teen and adult classes.

Claire Mari Studio • West Warwick, RI • Artist, Teacher 2017-present

- Produce fine art paintings and exhibit in galleries
- Created the brand CLAIRE MARI, with a focus on coastal art. Produce giclee prints and cards for sale online and art shows.
- Continue to teach classes in my studio and local galleries
- Exhibit in outdoor and seasonal art markets
