

Materials List / See The Light

Materials student will need to provide:

Watercolor set(an inexpensive tray is fine but a set of tubes with palette is great, too), variety of brushes, masking fluid, watercolor block or pad(at least 140 lb, 8x 10, 12 x 16, 16 x 20 or a few sheets with a gator foam board for stapling or some other support or 300 lb paper which doesn't need mounting , hot or cold press or even rough can work, jar or two for water, spray bottle, sponge or two, #2 pencil or mechanical pencil, paper towel. Several printed 8 x 10 photos taken by the student of light on the subject of choice. Also bring in several objects, such as fruits, toys, glass or metal, reflective objects.
